

Weichert, Realtors® - ABG Properties

office@abgrealtors.com or 893-1900

Locally owned and operated

With multiple offices conveniently located in and around the Metro area, we offer everything you need to become a successful Realtor. From the staff assisting with your every day needs, to 24/7 access to all of the tools and systems that Weichert offers, you will find yourself closing transactions faster than the average new Realtor. In addition to multiple, recurring training and coaching sessions, the managers at each office as well as the Broker/Owners of the company are accessible after normal business hours and on the weekends. When most real estate transactions typically occur.

Your success is our goal!

- *No desk fees*
- *No monthly fees*
- *Competitive commission splits*
- *Residential and Commercial*

Each office is set up identically, so that you may operate comfortably in any area of town. All are equipped with conference rooms, community computers, printers, contracts and forms. With a casual, yet professional feel. Access anytime.

Thank you for your consideration and we look forward to meeting you in person to tell you more about what we offer!

Call us at your convenience!

ABG Realtors was founded in 2004 and was invited to join the Weichert national family in 2007. Since that time we have grown significantly, with an increase in market share as well as recognition. We will continue to grow and are determined to have the finest career professionals in the area. We choose our associates carefully with the intention of exceeding the expectations of our clients in every aspect of Real Estate. Our goal is to build clients for life and expand our referral base through providing a one-stop buying or selling experience. Our clients are confident that we can handle every aspect of the transaction, from financing, inspections, repairs, insurance, title and any issues that may arise.
